

## Barrett, The Honors College Override Policies and Procedures

Students can obtain Barrett specific override forms by contacting: [BarrettAdvising@asu.edu](mailto:BarrettAdvising@asu.edu). Include name, ID number, and type of override request.

Credit overload requests (taking more than 18 credits in a semester, 19 credits for Engineers) must be approved by the advisor in the student's program of study.

### Thesis/Creative Project Credits

- Barrett students enrolling in HON 492 or HON 493 should be working with [honors faculty fellows](#) in Barrett, The Honors College, unless there has been an exception made by a Barrett Honors Advisor for the student to take HON 492/493 with non-Barrett faculty
- Students will take 492/493 thesis credits through the department of the thesis director
- Override procedures for those credits are determined by the individual College and unit
- 492 and 493 should only be used for honors thesis or creative project work for a maximum of 6 combined credit hours
- Research for students who have not yet started a thesis should be done through department specific independent study or research credit

### HON 498 Honors Independent Study

- Students may enroll in 1-3 credit hours for research or independent study work with Barrett honors faculty fellows
- 1 credit = 45 hours of work
- Repeatable for credit

### HON 499 Teaching Assistant

- Students may enroll in 1-3 credit hours for work as a teaching assistant for an honors faculty fellow in an HON prefix course
- 1 credit = 45 hours of work
- Repeatable for credit

### [HON 484 Internship](#)

- Students with approved fall or spring internships may enroll in a 3 credit honors internship course with in-person meetings and Blackboard assignments
- Must be approved by the Internship/Community Engagement Coordinator in Barrett
- Not repeatable for credit
